The background features a blurred photograph of students in a meeting. In the foreground, there are two small flags on a table: one of the Philippines and one of Vietnam. The scene is overlaid with a large white circle on the left and a large light purple circle on the right. A large white number '2' is centered within the white circle. Several thin white concentric circles are scattered across the image, particularly on the right side.

highlights

Justin Lim, VC in OPMUN'18, BPS in IMUNC'18, OD in FUN@MUN'18

The booklet was pretty comprehensive, from explaining how and where to research, to detailing the ROP. All (the knowledge included inside) was simple and understandable. Also, the MUN booklet helped to further affirm my understanding of how MUN works.

Josiah Ang, HM in FUN@MUN

The booklet had examples for us to follow which made writing the position paper much easier. What I liked about it (was that) there was a model answer in the booklet as a reference, and that the information in the booklet was very clear
